Re: 2013 Back-to-School Supplies Drive  
Vital Info: 501c3, non-profit organization; exemption #22-3833499  
Date: July 14, 2013

We are very excited about our annual back-to-school supplies drive this year! From serving 85 students in 2009 to just about 1200 last year, we are eagerly looking forward to **providing 2000 students with free backpacks and school supplies on August 24, 2013.**

**With your help we know we can accomplish this goal.** You and your organization can be instrumental in helping local students return to school fully equipped for academic success.

**We are hoping you will donate school supplies and/or laptops (or monetary donations) for the neighborhood children** and help us make a significant difference in our community.

**Morning Star** has been in the community for over 44 years and each year we deliver a variety of services to thousands of residents in our community. We host a food bank, give away thousands of food baskets at Thanksgiving, provide counseling for recovering alcoholics, shelter the homeless in winter, do clothing drives, patrol the neighborhood, offer weekly activities for teens, provide scholarships and school supplies, etc.

**Our students starting school with all they need to excel academically is a priority in our community.** But purchasing adequate school supplies continues to be a challenge for many families. Our goal is to meet this challenge by supplying all needed supplies.

**We would appreciate any donation of supplies and/or laptops you are able to make.** They will be deeply appreciated and put to great use by the children and students of Linden, Rahway, Roselle, Elizabeth, Union and other surrounding communities.

Thank you for considering this request. We will be in touch with you in a few days or, please feel free to contact me directly at the number below or at [jmillien@agapeinc.com](mailto:jmillien@agapeinc.com).

Sincerely,  
  
Julette Millien
